Calici d'autore

	Glass	Bottle
BRUNELLO DI MONTALCINO	€20	€100

Prodotto interamente con uve Sangiovese, raccolte e selezionate a mano. La fermentazione avviene in recipienti di acciaio inox e vasche di cemento vetrificate a temperatura controllata. Successivamente il vino affina per 3 anni in botti di Rovere e per almeno 8 mesi in bottiglia prima di essere messo in commercio.

Made exclusively from Sangiovese grapes, hand-harvested and carefully selected. Fermentation takes place in stainless steel tanks and temperature-controlled vitrified concrete vats. The wine is then aged for 3 years in oak barrels and for at least 8 months in bottle before release.
